

International Society for Computers and Their Applications

14th International Conference on Bioinformatics and
Computational Biology (BICOB 2022)
March 22, 2022, Virtual Conference

Keynote Address

Dr. Fahad Saeed

Florida International University, USA

for the keynote presentation entitled

***“Solving Grand Challenges in Proteomics and Neuroscience with High
Performance Data Analytics and Machine-Learning models:
Progress and Lessons Learned.”***

Oliver Eulenstein

Oliver Eulenstein
Conference Chair

HISHAM Al-Mubaid

Hisham Al-Mubaid
Program Co-Chair

Tamer Aldwairi
